PRINCIPAL'S CORNER

Dear Parents and Guardians,

Welcome back to Term 1 and what a great start it was! We hope you had a wonderful holiday and enjoyed time with your families.

This week we welcomed our Year 7 students back for their camp, and we also welcomed our new students and families back to school. It was great to see students reconnect with friends and settle into routines ready for a strong start to the term.

Parent attendance at our Parent Information Evenings last week was very pleasing. Thank you for your support and for taking the time to connect with your child's teachers and learn about what lies ahead this year.

We look forward to a productive and positive term ahead as we continue to support our students in their learning and growth.

Kind regards,

Mr Matthew Wallace
Principal

ITINERANT MUSIC LESSONS

Dear Nelson Bay High School Parents and Students,

Nelson Bay High School is pleased to offer instrumental music lessons for students in Years 7 to 12. These lessons are provided by highly experienced music teachers and are an excellent opportunity for students to develop musical skills, confidence, and a lifelong love of music.

We are pleased to invite all Year 7 students to participate in a free trial lesson. This trial provides students with the opportunity to explore different instruments and determine which one they would like to learn.

Lessons are scheduled during school hours and are structured to minimise disruption to classroom learning. Students will be supported by their teachers to ensure they can balance music lessons with their other commitments.

If your child is interested in participating, please complete the enrolment form and return it to the school office.

Kind regards,

Mr Matthew Wallace
Principal
