

# WAIHI COLLEGE 2024

## Stationery Requirements for NCEA L1

### Waihi College - BYOD in Senior School

BYOD stands for Bring Your Own Device. Many schools are adopting this policy across their whole school. In 2024, all students in the senior school who need to use a device for their learning, should bring a device from home. This could be in the form of a chrome book, laptop or ipad but not a cell phone.

Courses that require use of a device have indicated this in their course outlines. Please check the course outlines to see the requirements for the courses you are interested in.

#### Most Subjects require Students to have a Pencil Case with:

Blue or Black Pens, Red Pen ,Pencils, Eraser, Pencil Sharpener and a Set of Highlighters

Students are encouraged to buy their stationery locally and should get their stationery requirements as soon as possible **before** regular classes start. Some teachers may require students to purchase extra stationery to fit with teaching and learning programs. Students will be advised of any extra stationery ( if needed) at the beginning of the year.
