ATC EXPERIENCE DAY HAMILTON

This Friday, 6 June, 9am—2.30pm, Registration forms in the Gateway office.

Do you know of any rangatahi that are looking into a career in the forces? Maybe a little disengaged from school? Would thrive in a military style training environment? Here is an experience day that will hopefully be able to engage them.

If you want to do a military-focused course and get fit, focused, and ready for new challenges and open more job opportunities our experienced tutors will support you with guidance alongside an awesome programme packed with foundation essentials.

ATC Military Prep School is a great learning environment for ages 16 - 24 years old and gives you the opportunity to gain many qualifications that are going to strengthen your chances of beginning a career in the Military and other related forces or become work ready.

SCHOLARSHIPS

“

“Being a recipient of the Keystone Trust Study Award has given me so much more than just financial aid.

It goes without saying how much I have appreciated the extra help in terms of paying for accommodation near the University and the costs incurred in relation to both degrees but what has made a difference and been greatly valued is the Trust's support, care, help with university study, and wonderful guidance in the professional field.

Keystone has made so much more possible for me that would have not happened otherwise such as meeting other students on the same journey and industry professionals who have generously given their time to build connections with me.”

RADIO NEW ZEALAND SCHOLARSHIPS

RNZ is proud to announce the launch of our Centenary Scholarships – five scholarships worth up to \$8000 each to support the journalists of tomorrow as RNZ celebrates its 100th birthday.

As well as providing financial support, through funding one year of course fees, RNZ will offer scholarship recipients an internship in an RNZ newsroom, mentoring from a senior journalist and training with RNZ's Director of Editorial Quality and Training.

For 100 years RNZ has been at the forefront of public media, there when it matters for New Zealanders and evolving to best serve the community. Through these scholarships we want to see this dedication to the public service of providing information, challenging and entertaining content continuing. Pāmu Apprenticeship Scheme programme – years one and two

Apprenticeship Scheme Manager support and team/community engagement:

Our dedicated Apprenticeship Scheme Manager will be on hand for support. In the early stages, they'll be there to help those who need to transition into independent living and the world of work.

As the scheme progresses and you become more independent, they will focus on supporting you through your study.

By year two, we reckon you'll be needing their guidance less and less.

We'll also plan activities to help you be a valued part of your team and community, like a welcome BBO and paid membership of Young Farmers.
