

## CAREERS & FUTURE PATHWAYS — with Carolyn & Jade

### University of Waikato announce the NZ Graduate School of Medicine!

This is a landmark day for the University and for New Zealand. It will be the country's first graduate-entry medical school and the first medical school to open its doors in New Zealand in 60 years.

Our medical school will take a fundamentally different approach to training doctors in New Zealand and will complement the two existing medical schools.

We will deliver a programme that attracts more people who want to train to be doctors in primary and community care, which will mean more graduates who then choose to become GPs, particularly in regional and rural communities. The four-year programme will open in 2028 with an initial cohort of 120 students.

The NZGSM will take an innovative and community-engaged approach to addressing the chronic workforce shortages in primary care – training the doctors our country needs. The programme will prioritise clinical placements in regional and rural health settings, allowing graduates to experience working with diverse populations while building deep connections in the communities they serve.

### WAIKATO UNIVERSITY 2026 STUDENTS

**Monday 28 July from 9am in the Gateway office.** Andrew from the University of Waikato will be in the Gateway office from 9am to meet and talk to students about their major and minor courses. Please register to see Andrew, we will be allocating times so he can talk to you in your course groups. Register with Ms G.

### VICTORIA UNIVERSITY PLANNING

Dylan from Victoria University will be at Waihi College on the 10th Sept. for course planning. Please register with Mrs G for an appointment.

### IMPORTANT DATE CHANGE REMINDER

### YEAR 10 PARENT/WHANAU 2026 INFORMATION EVENING

**Monday 28th July, 5.30pm—6.30pm in the School Hall**

All Year 10 students and their caregivers/whanau are invited to come and find out about the exciting opportunities available to them in 2026 Year 11. Meet and hear from the different course providers for on and off site trades, including WTA Waikato Trades Academy. A wide range of vocational and trades academy's will be on show, including Gateway and Jumpstart Driving courses.

Please sign your student up on the night for their interested courses/trades. Courses fill up fast so our recommendation to you is to sign up on the night so you will not be disappointed. Light refreshments and snacks will be offered.

Questions? Carolyn Graveson—Future Pathways Coordinator; is always available to talk to parent/guardians or students about anything related to the students future planning and opportunities.

Feel free to contact her to arrange a suitable meeting time, by either phone/txt: 021 105 2702 or email: [carolyng@waihicol.school.nz](mailto:carolyng@waihicol.school.nz)

## HANDS-ON AT OTAGO INFORMATION

This is a unique opportunity for students from your school (who will be in Years 12 and 13 in 2026) to come down and experience a week of Otago student life. If you haven't heard about Hands-On at Otago before, students stay on campus in one of our residential colleges and choose a subject to study for the week. There are over 20 subjects on offer, from across Business, Health Sciences, Humanities (Arts) and Sciences. They'll learn from our world-class academic staff, meet students their age from schools across the country and participate in a huge range of activities that will challenge and inspire them for the years ahead.

Hands-On will run from **Sunday 11 January to Friday 16 January 2026**. It's important to note that we tend to receive more applications than we have places available, so we encourage students to put time and effort into their applications, and share with us why they should be offered a place.

Do you or your students want to know more about the programme? Head online to [otago.ac.nz/hands-on-at-otago](https://otago.ac.nz/hands-on-at-otago). Here you'll find videos, info on costs, scholarships (there are lots of these available and we really encourage all students to apply for one), fundraising ideas, accommodation information, transport options and more.

**OTAGO UNIVERSITY**

**SCHOLARSHIP APPLICATIONS ARE OPEN FOR 2025**

Lincoln has a wide variety of scholarships available for your students. These vary from financial support to fully inclusive support and training programmes. Any questions about scholarships can be directed to your school liaison officer, or to our Scholarships Office on [scholarships@lincoln.ac.nz](mailto:scholarships@lincoln.ac.nz)

*Here's just some of the options available:*

Future Leader Scholarship, Sports Scholarships, Tihi Kahumaki Scholarship, Pasifika Excellence Scholarship, Lincoln University Vice-Chancellor's Scholarships for Excellence, All Māori and Pasifika Scholarships.

[Take a Virtual Tour](#)

**Hui Whakatuwhera Open Day**

Come to Hui Whakatuwhera Open Day, an annual event where you can tour our campus and learn why Lincoln University is such a great place to study. Bring the whānau!

Friday 18 July 2025. 10:00am to 3:00pm

Open Day is a fantastic opportunity to attend presentations about the study programmes that you may be interested in and speak with your future lecturers.

We offer campus tours, where you can check out our wide range of accommodation options and fantastic campus facilities, such as the new Student and Visitor Centre, Waimarie (our new science building), the Library, LU Gym, and Grounded (our student space). You'll also get to meet current students and find out why they chose Lincoln (and discover why you should too).

**MASSEY OPEN DAY** Join us each year at Open Days on campus in Wellington, Manawatu and Auckland or attend online events specifically designed for international and online students.

**2025 OPEN DAYS:**

- 6 August Manawatu (Palmerston North) Open Day
- 15 August Oteha (Auckland) Open Day
- 22 August Pukeahu (Wellington) Open Day
- 4 September Distance Open Day
- 13 September Aviation Open Day

Register for these events: <https://events.massey.ac.nz/open-days-2025>

**APPRENTICESHIP APPLICATIONS CLOSING SOON!**

Are you searching for an apprenticeship that can give you the perfect blend of professional support and hands-on experience? At Te Matapuna Fonterra, apprentices get to work for, get paid by, and learn from the experienced Te Matapuna Fonterra team—all the while receiving support to gain a Level 4 New Zealand Certificate in their chosen field:

Heavy Automotive, Electrical Engineering, Mechanical Engineering, Energy Centre Traineeship.

<https://explorecareers.co.nz/employers/fonterra/?content=apprenticeships>

**NOTICEBOARD**

## Trade up to an amazing future

More choice, more opportunity, when you imagine tomorrow at Te Mātāpuna Fonterra

Imagine tomorrow as an Apprentice at Te Mātāpuna Fonterra. Learning, developing, growing and thriving while immersing yourself in a place with a proud history... and a truly exciting future. Speaking of futures, you could soon be kick-starting a fantastic one as a Fonterra apprentice.

Whether it's mechanical engineering, electrical or heavy automotive that sparks your interest, we have something for you. And that something is a four year pathway to qualification – learning from experts in their field, with support, challenge and opportunity every step of the way. So, if you're ready to take the first step toward a bright future, imagine tomorrow, today.

### Who are we looking for?

- Achieved OR in the process of achieving NCEA Level 2 with Maths and English (all) + Physics (electrical only)
- An interest and aptitude in hands-on engineering work
- A passion to qualify and build a career in your chosen field
- Restricted driver's license (by the time you start the apprenticeship)
- Keen interest in solving problems, a curiosity to learn and being able to work in different situations with different people
- Completion of a pre-trade course in a related subject would be awesome, but not a necessity
- New Zealand citizens or New Zealand permanent residents
- 16 + years old
