PRINCIPAL'S COMMENT

Ngā mihi nui ki a koutou e te whānau o Waihi College. What an uplifting fortnight it has been across our kura. Our young people have been out in the community, on the moana, in the ngahere, and across the rōhe embracing opportunities to grow, connect, and challenge themselves as we move toward the end of the school year....

Our Year 10 camp has been a true highlight. The experiences our rangatahi are having—testing their leadership, working in teams, and stepping bravely into new adventures—are setting them up beautifully for the senior school. I was fortunate to spend time with them over the past couple of days, taking groups of students out on the waka. Watching them feel the pull of the tide, the strength of the wind, and the rhythm of paddling together was inspiring. Their teamwork and determination were a living example of kotahitanga in action.

Last week, our Year 9s ventured over to Tauranga for paintball and escape-room challenges. The feedback we've received reflects immense pride—our students showed outstanding behaviour, representing Waihi College with maturity, enthusiasm, and mana. Ka rawe, e hoa mā!

Next week we gather for our Endeavour Prizegiving on Tuesday, followed by our Year 7–10 Prizegivings on Wednesday. Please check the details in this newsletter so you can arrive in plenty of time to find a seat. Prizegiving is a treasured chance to celebrate the breadth of talent, perseverance, and mana our students show every day. While not every student walks across the stage, we acknowledge the quiet leaders, the day-to-day grafters, the kind classmates, and those who uplift others through their actions. Your contribution to our kura is seen and valued.

As we close out 2025 and prepare for an exciting 2026, we remain committed to being the heartbeat of our community—a place where our young people grow, shine, and stand tall in who they are.

I look forward to seeing many of you at our celebrations over the coming days.

Ngā mihi mahana,
Briar Principal | Tumauki Waihi College

ONYA AWARDS

The recent Onya Awards, hosted by Hauraki District Council, shone a warm light on the incredible people who uplift our community every day. These awards celebrate those who care for one another, protect and nurture our taiao, and bring energy, colour, and safety to the place we call home. They acknowledge our community champions—the ones who make a positive difference in so many meaningful ways. He mihi nui and heartfelt congratulations to our outstanding recipients: Bella Paulsen, Zoe Beth Naisby, and Greta Spicer. We're so proud of the way you embody the spirit of service and community.

BYOD

Waihi College is a BYOD school (Bring Your Own Device). Students are required to have a device for their classes from Year 7 through to Year 13. Students and teachers are working more and more with digital platforms for the distribution and completion of work in the classroom. By students having their own device, there is a seamless link between home and in school learning and the student can personalise their device to suit their own needs.

WHAT SORT OF DEVICE DO I NEED?
For most students a standard Chromebook is sufficient. Chromebooks have already built in Google suites including Google classroom that is used throughout the College. For senior students in Year 12 and 13 who have more specialised courses or are thinking of moving on to University they may wish to purchase a laptop.

WHERE CAN I GET A DEVICE?
You can purchase a device from most electronic retailers and they often have some good sale prices (particularly Black Friday and Boxing Day deals). Purchasing a device is often something that can be financially supported by family members as a Christmas gift.

WHAT IF I AM UNABLE TO PURCHASE A DEVICE?
Waihi College will have devices available for students to lease should they be unable to purchase one themselves. Students will pay a bond to lease the device for the year, they will take the device home and use it as their own for the year. Parents/caregivers and students will sign a contract agreeing to maintain the condition and return of the device with any loss or damage charged to the student. Contracts for 2026 are available in the student centre now (devices won't be issued until the start of the 2026 school year)
