PRINCIPAL'S COMMENT

Kia ora e te whānau,
Congratulations to all students recognised at our **Senior Endeavour and Service Prizegiving**. These awards celebrate perseverance, commitment and the contribution our young people make to our kura. We are proud of the way you support others, embrace opportunities and keep striving to do your best.

We also farewell our international students who are preparing to return home. Thank you for sharing your cultures, friendships and experiences with us—you have enriched our Waihi College whānau. We wish you safe travels and every success in your next chapter. A special thank you to our homestay families, staff and students for helping our international visitors feel welcome and connected.

Our **Senior Academic Prizegiving takes place this Thursday evening, 5 November**. We look forward to welcoming many of our community to celebrate the achievements of our rangatahi. Your presence means a great deal to our students and acknowledges the hard work behind their success.

As our senior students begin study leave on Friday, we wish them well for their examinations and final assessments.

Make a study plan, use your time wisely and attend the workshops offered by your teachers. Ask for help when you need it, look after your wellbeing and keep working towards your goals. There is still much to achieve—finish your academic year with pride.

For our **Year 7–10 students**, our learning journey continues for a few more weeks, with plenty of opportunities ahead. As our seniors leave for study, this is your chance to step forward: lead by example, include others, take responsibility and be of service to our kura. Show our values of **Manaakitanga, Whanaungatanga, Kotahitanga and Kaitiakitanga** through your everyday actions, in the classroom and around our grounds.

To our staff, parents, caregivers, whānau and community supporters, thank you for your continued care and encouragement. Every practice, rehearsal, conversation, ride and word of support helps our young people thrive.

Ngā mihi nui,
Briar Principal | Tumuaki Waihi College

Congratulations to all students who received **second or third in class placings**, along with those recognised with **Endeavour Awards** for their effort, determination and perseverance throughout the year.

STUDENT SPOTLIGHT

Our **Gateway Programme** is all about giving students the opportunity to step beyond the classroom and experience what the world of work is really like – and we simply couldn't do it without the incredible support of our local businesses.

We are extremely grateful to the **many employers** who open their doors to our students, giving their time, knowledge and encouragement to provide meaningful, real-world work experience. The mentoring and guidance our students receive is invaluable, helping them build confidence, develop practical skills and discover the qualities employers value in the workplace.

It has been fantastic to see our **Gateway students** grow through these experiences. They are learning about different industries, developing greater independence and responsibility, and beginning to see where their own strengths and interests could take them in the future.

Over the coming weeks, we'll be introducing you to some of our amazing **Gateway students** and the local businesses supporting them.

Lockie Patea
YEAR 11 | GATEWAY PLACEMENT: HICKSON'S MOTORS, WAIHĪ

Sometimes it's the little things that tell an employer the most about a young person.

Year 11 student Lockie Patea has been completing his Gateway placement at Hickson's Motors, where owners Brydon and Tammy Hickson have been impressed by his attitude, reliability and willingness to learn.

Lockie has been working alongside the workshop's apprentice, gaining practical experience while learning what is expected in a busy automotive workplace.

But one particular moment stood out.

At the end of a shift, Brydon was busy with a client. Rather than simply heading home, Lockie noticed what needed doing, picked up a broom and cleaned the workshop floor, leaving it tidy and ready for the

"We have been really pleased with Lockie's attitude, reliability and willingness to learn. He is always on time, polite and helpful," Tammy says.

For Brydon and Tammy, that simple act spoke volumes about Lockie's initiative and character.

It's a great example of what our students can gain – and demonstrate – when they are given the opportunity to experience a real workplace.

A huge thank you to **Brydon, Tammy and the team at Hickson's Motors** for giving Lockie this opportunity and for investing their time in helping him develop his skills and confidence.

It is partnerships like these that make our Gateway Programme possible – our local businesses helping our rangatahi take their first steps into the world of work.

ATTENDANCE MATTERS
WAIHĪ COLLEGE

UNDERSTANDING SCHOOL ATTENDANCE: A GUIDE FOR WHĀNAU

Navigating school attendance codes can be confusing. Here is a simple breakdown of the Ministry of Education codes that track your child's time and what those marks mean for their attendance.

Present at School

Your child is marked present if they are **physically on-site** or taking part in an activity the school officially considers "being at school."
This includes:
- In Class
- On-Site Activities
- Approved Off-Site Learning
- Necessary Appointments

Justified Absence

A "Justified" mark means your child is not at school, but the school has reviewed your explanation and accepted it as a valid reason for missing class.
Common examples include:
- Health
- Family
- Representation
- Disciplinary

How Absences Affect Attendance Percentages

It is a common misunderstanding that a "Justified" absence doesn't "count" against a student.
A justified absence still counts as an absence in your child's overall attendance percentage.

THE BOTTOM LINE

A "Justified" mark tells the school that the reason for the absence is acceptable, but still indicates the student missed out on that day of learning.

ATTENDANCE MATTERS

For more information about why attendance matters, please check out the handy PDF, shared by Amanda Cook, and also found on our website in the Latest News section.

If you have any questions about attendance, please get in touch with us. You can email Amanda at amandac@waihicol.school.nz or contact Susan in the Student Centre at susant@waihicol.school.nz.

Remember, an easy way to keep us informed about your student's attendance is via the School Bridge App (further details shown above). Download it now and keep in touch with all things going on at Waihī College.
